

ACHIEVEMENT AUDITIONS

Ann Abel, event chair
April 20, 2024 at University of North Texas
College of Music Building, Choir Room

The auditions are open to any student in Grades 0-12 who is having regular instruction from a member of DMTA. Each participant will play 2 or 3 contrasting compositions. Pieces must be played by memory.

DEADLINE: April 10th, 2024 (received in mail or dropped off)

Enrollment Forms:

- Enrollment forms are divided into different time choices. Place each student's information on the correct sheet - their first choice for Time.
- Make sure your (teacher's) name is on every sheet.
- Student's Name: Please print clearly or type.
- Time: Saturday - Morning, Early afternoon, Late afternoon
- Performance Minutes: Actual playing time of all pieces combined, do not include entrance or exit time.
- Trophy: Specify 3, 6, 9 or 12-year. Leave space blank if not receiving a trophy.

Critique Sheet:

Please print the critique sheet double-sided or if double-side printing is not feasible, staple pages in order to prevent the second page getting lost or separated from the first page. Teachers must provide information of the student and pieces to be performed on each critique sheet. 'Teacher numbers' will be assigned randomly by the chair and emailed to you.

Fees:

\$15.00 for playing time up to 10 minutes

\$20.00 for playing time over 10 minutes (maximum playing time is 15 minutes).

Teacher Monitoring:

All teachers who enter students must be available to monitor. This does not have to be at the times your students perform. Please indicate on the first page of entry forms when you can monitor.

Students must bring their completed critique sheet, along with original publisher copies of their music for the judge. Students with photocopies will be disqualified. Measures need to be numbered. (If the piece is elementary and already has measure numbers at the beginning of each line, no need to write every measure number.) Students who do not play all of their pieces by memory will be disqualified.

- Each participant will receive judge's critique, certificate, and a ribbon.
- Every three years a student receives a trophy. The participation does not need to be consecutive to receive a trophy.
