

World of Music Test

The World of Music test is offered once a year, in the Spring. Any Student Affiliate member is eligible. Students must test at their grade level. Students scoring 90 or higher receive a medal. For more information concerning this program and how to order the study books, go online to TMTA.org or consult the Student Affiliate Handbook or call the local chair. Students are best prepared for this test by studying the booklets available from TMTA.org.

Teachers are needed to help monitor the test. There is a separate registration form, available on the DMTA website, to be turned in by the final deadline, along with the check. Make the check payable to DMTA and indicate “WOM” in the memo line.

Local Chair: Please see DMTA handbook for Local Chair
Final Deadline: January 7, 2026 (Registration and Fees due)
Fee: \$15.00 per student
Test Date: February 7, 2026 (First Cumberland Presbyterian Church)

It is always nice to have an estimate before the deadline. This information may be sent by email to the chair, but nothing will be registered or ordered until the official enrollment is received.
